

Vision Tool – Part 1

This tool is designed to help you articulate your vision – what it is you want to create – in both professional and personal areas of your life. It is important to think in a balanced way about the whole of your life – and to find a way for all of these to comprise a mutually creative and synergistic whole. Your world is an ecosystem where every part counts.

For the following areas, please write out the three **most important improvements** you would like to make or **most important accomplishments** you would like to have:

<p>1. Personal Relationships</p> <hr/> <hr/> <hr/>
<p>2. Health and Fitness</p> <hr/> <hr/> <hr/>
<p>3. Professional Achievement</p> <hr/> <hr/> <hr/>
<p>4. Use of Time</p> <hr/> <hr/> <hr/>

5. Money and Finances

6. Performance of Your Organization

7. Delegation and Teamwork

8. Contribution to Your Community

Vision Tool – Part 2

Personal Vision for the Next 3 Years

If you were to describe your life 3 years from now, what would have happened such that you would be genuinely happy with your progress? Specifically, what dangers would you have overcome? What opportunities would you have seized? What strengths would you have leveraged and built upon?
